Books available for \$11.

Contact the Central Business Office to order your
book by January 22nd, or to register.

“In the classic Mere Christianity, C.S. Lewis...explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis’ legendary broadcast talks during World War Two from his three previous books The Case for Christianity, Christian Behavior, and Beyond Personality, Mere Christianity provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith.”
